## NOTICE TO ALL REGISTERED ACCOUNT HOLDERS

### **Re: Direct Repair Program Launches**

The Direct Repair Program (DR) successfully launched today. As a result, significant changes/additions have been made to the MPI Partners site:

- [Direct Repair](#) has replaced Distributed Estimating and is no longer password-protected.
- The [Direct Repair Claim Procedures](#) provide an end-to-end description of the process shops follow for a DR claim.
- A [sample dispatch report](#) helps repair shops interpret the dispatch report.
- The [Abbreviations List](#) provides assistance with the Description of Loss section on the dispatch report.
- Links are provided to the [Final Repair Account Signature](#) forms for DR.
- Link to the [Accredited Repair](#) site.
