NOTICE TO ALL ACCREDITED GLASS SHOPS

Re: Manitoba Public Insurance Glass Claim Program Business Rules

On May 31, 2017 Manitoba Public Insurance will post our Glass Claim Program Business Rules on the Manitoba Public Insurance Partners website.

The Glass Claim Program Business Rules are a collection of business rules gathered from Notices to the Trade, industry experts, and existing practices.

The Glass Claim Program Business Rules will be password protected. Glass shops will be sent an email with a password and instruction on accessing the Glass Standards on May 31.

Please review the Glass Claim Program Business Rules, as Manitoba Public Insurance will review and verify glass claims are processed in accordance with these published standards.

If you have any further questions, please call the [Repair Shop Support Line](#) and select the Glass-only claims option.

Thank you.
