4. Estimatatics

Some inquiries for Estimatatics follow an [escalation process](#) where the shop must first discuss the issue with an estimator. If they cannot resolve the issue, they can discuss it with an estimating supervisor, and if there is still no solution, the shop may contact an estimating coordinator.

Leads to the following options:

1. Estimating Standards

- Current estimating standards, policies, or procedures
- Shop disagreements with review decision (escalation process applies)
- Estimator concerns

2. Alternate Parts Program

- Part pricing/availability/quality
- Supplier issuers
- Part type changes
- MPI part business rules (incl. freight, shipping, and brokerage)

3. Estimating System Support

- Issue unresolved by Mitchell Software Support

Open Monday to Friday 8:30 a.m. - 4:30 p.m.

Email: Estimatatics-Standards@mpi.mb.ca

Estimatatics-Parts@mpi.mb.ca
