

Determine Tax Responsibility - MCE

Use this job aid to confirm a customer's [GST](#) and [PST](#) responsibility.

See the [Customer Tax Responsibility](#) Estimating Standard for more information on adding customer tax responsibility to an estimate.

Responsible for GST or Exempt

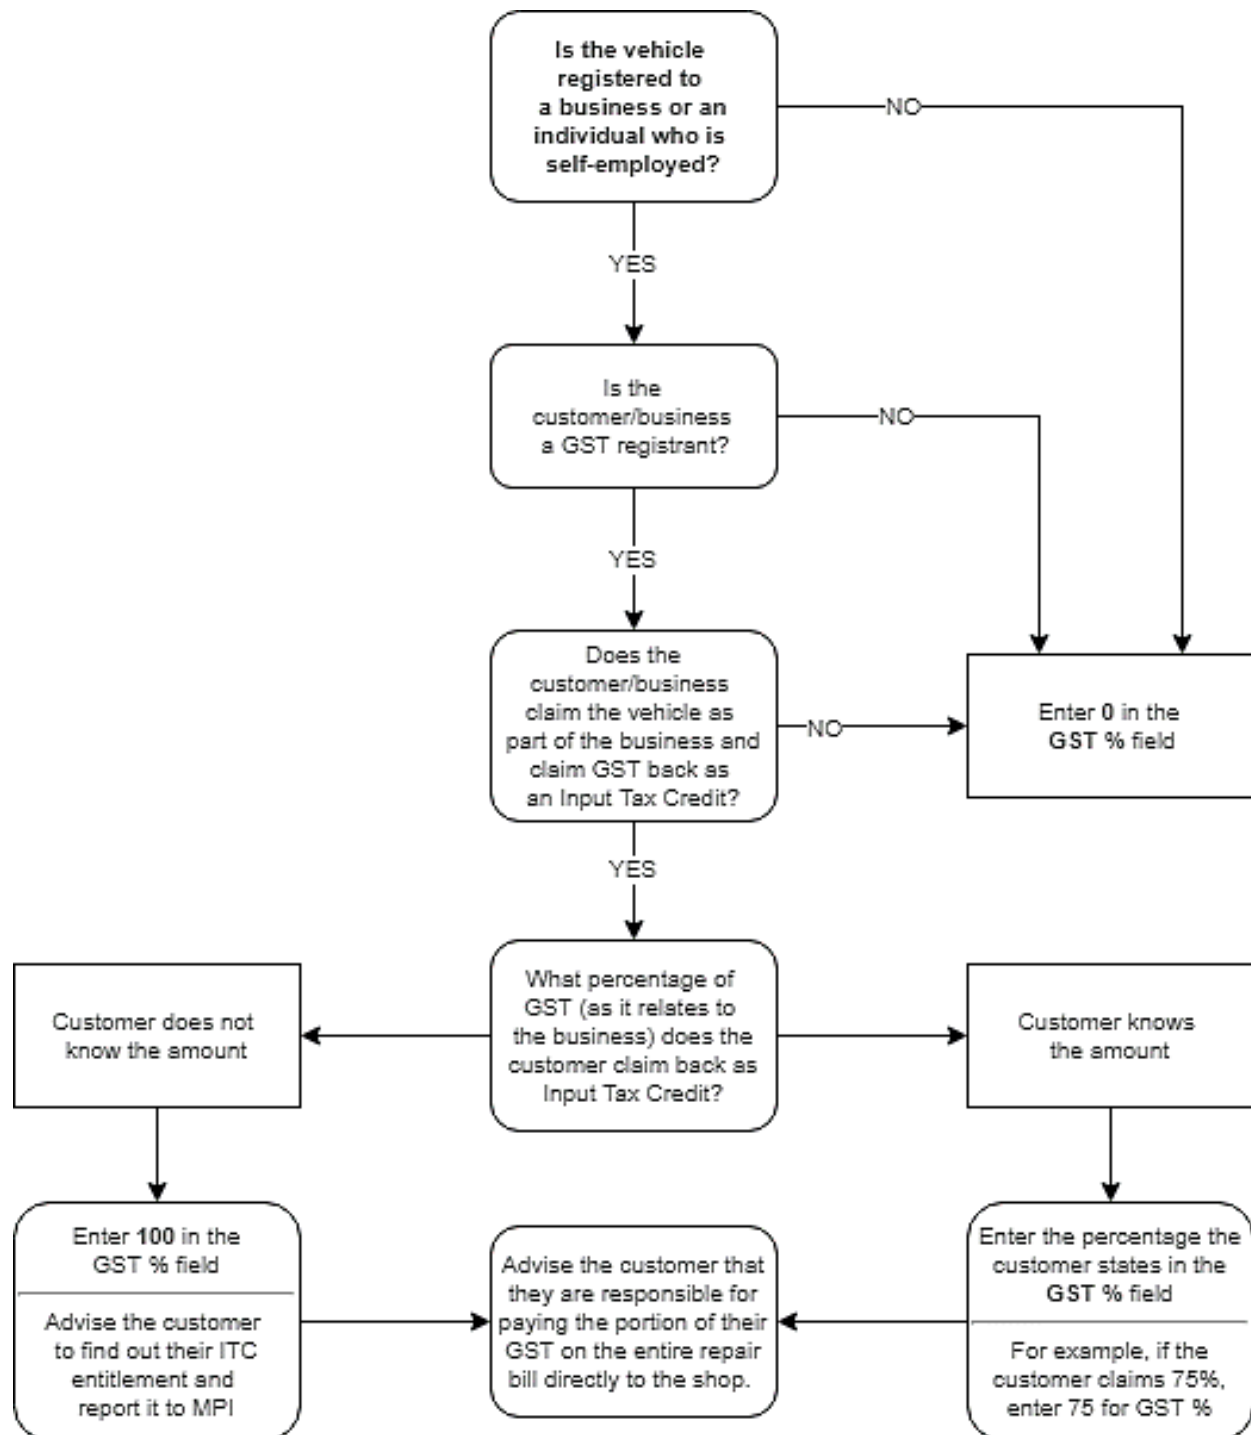

The following vehicle owners are either exempt from GST or responsible for paying all or part of the GST. (If the customer is only responsible for a portion of the GST, MPI will pay any remaining portion.)

For customers not listed in the table below, use the flowchart on page 2 to determine their GST responsibility.
