

Notice to All Accredited Glass Shops

ADAS Allowance Adjustment

Date published: January 30, 2026

MPI has changed the Light Vehicle Claims ADAS allowances from dollars to labour hours. This change has resulted in a small increase in the value of these allowances. Therefore, the dollar amount of the ADAS allowances in Mitchell Cloud Glass (MCG) will be updated to match this higher price.

Refer to the updated [ADAS Calibration - Glass Only Claims](#) standard to review these changes.

If you have any questions regarding this notice, please contact the Glass Audit Unit.
