

Notice to all Accredited Repair Shops

# Child Car Seat Changes

**Date published:** April 27, 2026

Effective April 27, 2026, customers will no longer be required to drop-off child car seats involved in a claim to an MPI location for reimbursement. This change will reduce administrative impacts and improve customer service.

Customers are encouraged to locate a local facility to dispose or recycle the car seat.

To request reimbursement for eligible claims, customers can now visit the MPI website at [www.mpi.mb.ca](http://www.mpi.mb.ca) to complete the new Child Car Seat Reimbursement Form.
