

Notice to all Accredited Repair Shops

Claims Audit - Invoices

Date published: November 3, 2025

As previously reviewed with the Program & Accreditation Committee and shared in the [May 2025 Minutes](#), MPI will be conducting targeted audits and requesting invoices for all parts and sublets, based on independent feedback on claim operations from MNP.

Selected repair facilities will be asked to submit all invoices for a small sample of claims paid in October.

Please email partners@mpi.mb.ca if you have any questions about this notice.
