# Further Extension on Hail Estimates at DR and PDR Facilities

Date published: July 8, 2026

Further to:

- [June 12, 2026 - Updates to Temporary Measures for Storm-Related Claims on June 9, 2026](#)
- [June 15, 2026 - Initial Estimates for Storm-Related Hail Claims Allowed at PDR Facilities](#)
- [June 23, 2026 - Extension on Hail Estimates at DR and PDR Facilities](#)

MPI will allow Direct Repair (DR) and Paintless Dent Repair (PDR) facilities to estimate hail claims for an additional two weeks. Estimates must be completed and submitted to MPI by **August 11, 2026**.

These timelines may be extended. Please monitor MPI Partners regularly for the latest information.

## Hail Response in Boissevain and Killarney

MPI's mobile hail response trailer will be deployed to the Boissevain AG Arena, while Killarney will be supported using regular mobile estimating.

Starting Wednesday, July 8, MPI staff will begin contacting customers to schedule estimate appointments (for those that were not scheduled at first notice of loss). Customer appointments will begin on Monday, July 13.

Based on forecasted claim volumes, this response is anticipated to remain in place for several weeks.
