

Notice to all Recognized PDR Facilities

Initial Estimates for Storm-Related Hail Claims Allowed at PDR Facilities

Date published: June 15, 2026

Further to the [Updates to Temporary Measures for Storm-Related Claims](#), MPI will also allow **recognized Paintless Dent Repair (PDR) facilities** to create initial estimates for hail claims for the next two weeks. Mitchell Connect will be updated later today (June 15) to enable this functionality for PDR facilities.

Estimates must be completed and submitted to MPI by July 14. These timelines may be extended. Please monitor MPI Partners regularly for the latest information.

Refer to the [Direct Repair Claim Procedures](#) for information on creating a suffix 99 hail estimate..
