		Mechanical	\$106.35/hr

RV and Motorcycle/ORV Repair

RV Repair or Motorcycle/ORV Repair line items from My Templates must be removed and re-added on all in-progress estimates to reflect the new rates.

Estimating Standards Updates

The following standards have been updated on the [RV, ORV & Motorcycle](#) MPI Partners page to reflect new labour rates:

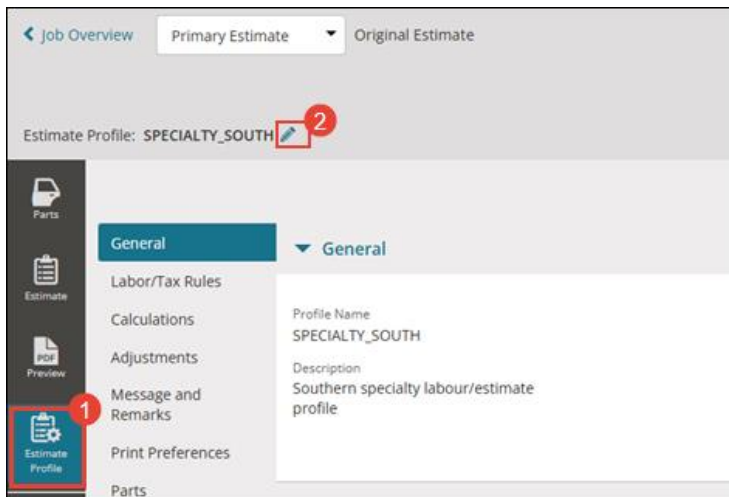

- [Labour Rates](#)
- [Recreational Vehicle Claims](#)

Physical Damage - MCE

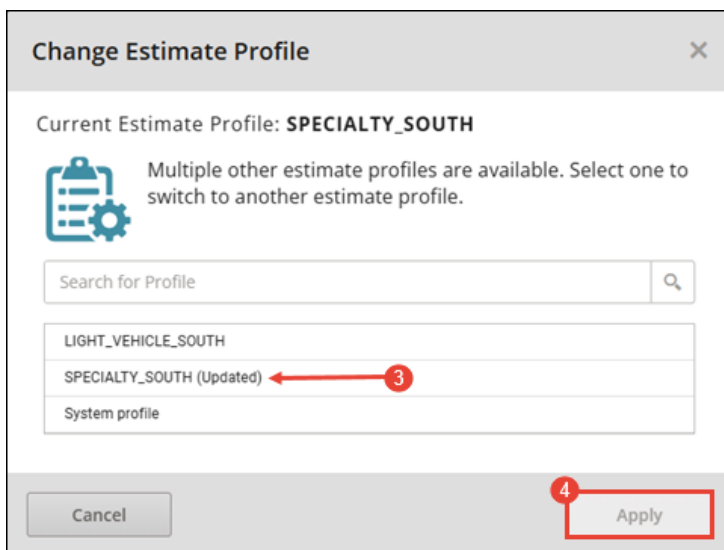

For pre-existing claims submitted for payment on or after December 1, 2025, it is the shop's responsibility to update the profile on each claim prior to submitting for payment. Shops are not to manually modify MPI profiles.

To update the profile on an existing estimate in MCE:

1. Select **Estimate Profile** located on the left side menu bar.
2. Select the pencil icon next to **Estimate Profile**.

3. Select the applicable profile, indicated with **Updated** in the profile name.

4. Select **Apply**, then **Apply Changes**.

- Estimate **Labour** will now be calculated with the updated rates.

Updating the rate will create a supplement when the estimate is committed.

If you require technical assistance, please contact Mitchell TAC at 1-800-448-4401.

Shops using Virtual Claim Files must request the rate increase on the Final Repair Account when submitting for payment.

If you have any questions about this notice, please contact [MPI Partners](#).
