

Notice to All Accredited Glass Shops

Updates to Mitchell Cloud Glass

Date published: June 24, 2026

MPI continues to find ways to further streamline claim administration processes through ongoing collaboration with the repair trade and its associations.

Effective June 26, 2026, the following updates will be implemented in Mitchell Cloud Glass (MCG):

- Assignment notification emails to shops will be updated with improved formatting for clearer messaging.
- When adding Global Parts lines (e.g., ADAS calibrations), shops are no longer required to select an associated glass component before proceeding.
- Going forward, shops requiring updates to the information in their MCG shop profile must contact Accredited Repair at partners@mpi.mb.ca to ensure data consistency.

If you have any questions about this notice, please email GAU@mpi.mb.ca.
