MPI Auction Frequency Increasing

Date published: June 24, 2026

MPI is increasing our auction frequency from once per week to twice per week to enhance buyer access to inventory and shorten auction duration.

The salvage office will be closed Wednesday, July 1 (Canada Day). In lieu of our typical Wednesday sale, an auction will be held on Tuesday, June 30.

Beginning the week of July 6, MPI will permanently hold two auctions per week. Auctions will be held every Tuesday and Wednesday (excluding holidays).

If you have questions, please contact MPI Salvage Operations via email MPISalvage@mpi.mb.ca or by phone 204-985-7844.
