Paintless Dent Repair (PDR) – Update

Date published: February 10, 2025

Further to the [Paintless Dent Repair \(PDR\)](#) Notice to the Trade communicated on November 1, 2024, the following two PDR program enhancements will take effect on February 10, 2025:

- [Paintless Dent Repair \(PDR\) Photo Requirements](#) job aid
 - Expanded photo best practices
 - Clarified that supporting images should not be obscured by markings such as tape or grease markers
- Mitchell PDR Calculator
 - Ranges expanded to accommodate up to 2000 dents
 - Aligned with the [Paintless Dent Repair \(PDR\)](#) estimating standard

Please email partners@mpi.mb.ca if you have any questions about this notice.
