

Notice to All Accredited Autobody Repair Shops

Parts Autonomy Corrective Action Plan

Date published: June 14, 2024

Following the June 12th Parts Autonomy (PA) update webinar, MPI committed to providing more details to help shops understand changes to the corrective action plan and parts autonomy audit process. We encourage repair facilities to read the following information and discuss any concerns with their Shop Relationship Advisor (SRA):

- [MPI's Presentation](#)
- [Parts Autonomy Questions and Answers](#)
- [Estimate Parts Selection](#) – Estimating Standard updated to align with Parts Autonomy Corrective Action Plan

More information on MPI RPS changes and related PA program documents will be communicated soon.

Thank you to those who registered for the webinar. If you have any questions about this notice, please contact your SRA.
