Postal Service Disruption – Shipping & Freight Charges Estimating Standard Reminder

Date published: October 14, 2025

Due to the ongoing postal disruption, shops are reminded to continue to adhere to the [Shipping & Freight Charges](#) Estimating Standard to mitigate the risk of estimate denials or post payment auditing.

Rules and best practices:

- Submit a quote to MPI for shipping requests.
- For items normally delivered via regular mail, confirm any delivery changes with your supplier before ordering.
- Compare prices with alternate suppliers considering potential increases in shipping costs.

MPI will review all requests based on the information provided.

Please email partners@mpi.mb.ca if you have any questions about this notice.
