Postal Service Disruption – September 2025

Date published: September 29, 2025

MPI is implementing temporary procedures to ensure customers receive their cheques and other important documents due to the dispute between the Canadian Union of Postal Workers (CUPW) and Canada Post.

The [Manitoba Public Insurance](#) website will keep the public informed about how we plan to maintain essential mail services during the postal service disruption.

If customers have any questions about the postal service disruption, direct them to the MPI public website, the MPI Contact Centre at 204-985-7000, or their nearest broker.

There are no anticipated impacts to repair shops, but we will continue to monitor the situation and provide updates as required.

Please email partners@mpi.mb.ca if you have any questions about this notice.
