NOTICE TO REGISTERED ACCOUNT HOLDERS

Re: New Manitoba Car and Truck Rental Association Agreement

Manitoba Public Insurance and the Manitoba Car and Truck Rental Association (MCTRA) negotiated a new agreement. Part of the new agreement includes streamlining rates for third party loss of use across Manitoba.

Rate Information

Starting December 3, 2018, the rate of \$42.00 (plus applicable tax) per day is paid for all third party loss of use vehicle classes.

- Account holders are no longer expected to obtain and provide upgrade reasons for vehicles.

The Claims Processing Unit continues to handle all loss of use requests and payments through the loss of use web application.

Action Required

Please read the [MCTRA agreement](#) and complete the signature sheet acknowledging you agree to the terms and conditions of this contract.

If you cannot access the MCTRA agreement through the link provided, you can view the agreement on the [MPI Partners](#) website under Policies & Procedures > Rental Vehicle Providers > Notices.

The agreement must be signed by your designated personnel with applicable signing authority. Please indicate each registered account on the signature sheet.

Once the agreement is signed, scan and send a PDF version to, cpusupervisor@mpi.mb.ca by **November 28th, 2018**. Alternatively, you can send the agreement by:

- Mail to CPU Supervisor
Bison Drive Service Centre
15 Barnes Street
Winnipeg, MB

- Fax at 204-954-3979

IMPORTANT: by signing this agreement you maintain your registered account with MPI and can continue to bill directly through the loss of use web application. If we do not receive your signed agreement by **November 28th, 2018**, your account will be removed from the web application and as a result you will be required to manually bill MPI for rental invoices.
