2019 Reported and Repaired Claims by Top Vehicle Makes

Date published: September 18, 2020

The Reported and Paid Claims History section on the MPI Partners site has been updated with the most frequently reported and repaired physical damage claims by vehicle make for 2019.

This information is being made available for awareness of the Manitoba industry repair mix composition only.

Please visit the [MPIPartners.ca](https://www.mpi.ca) homepage and click the **Reported and Paid Claims History** link to access this information.
