

2021 Light Vehicle Accreditation Agreement (LVAA) Compensation Schedule Restated – Effective October 1, 2023

Date published: August 18, 2023

Following input and consultation with the Automotive Trades Association (ATA) and the Manitoba Motor Dealers Association (MMDA), MPI will be adjusting the current compensation schedule effective October 1, 2023. This adjustment offsets the impact on apprentice wages due to the increase in the Manitoba minimum wage on October 1, 2023.

All the labour rate changes include the inflation factor set for the rates in the original LVAA compensation schedule.

The changes are reflected in the [Light Vehicle Repair Industry Agreement Compensation Schedule](#) and tables below:
