**Re: Estimating Standards Updates – ADAS Calibration, R&I of Undamaged Parts, and Lowest Cost Glass**

Please review the following Estimating Standards for updates:

- [Advanced Driver Assistance Systems \(ADAS\) Calibration](#)
- [Advanced Driver Assistance Systems \(ADAS\) Calibration – Glass Only](#)
- [R&I of Undamaged Parts](#) (this standard replaces the previous Connected Parts for Blend standards)

Additionally a [Lowest Cost Glass – Questions and Answers](#) page has been added to MPI Partners.

- You can locate the page through the above link, or navigate to Glass Only Claims > Policies & Procedures.

If you have any questions about this notice, please contact Estimating using the [Repair Shop Support Line](#).
