## MPI Betterment Calculator

**Date published:** January 27, 2026

MPI has added a [Betterment Calculator](#) tool to the [Forms and Job Aids](#) section of MPI Partners.

The calculator is designed to help determine the “Max to MPI” and “Betterment to Customer” when alternate parts or line discounted parts have been added to an estimate in accordance with the [Betterment/Depreciation](#) estimating standard.

Please email [partners@mpi.mb.ca](mailto:partners@mpi.mb.ca) if you have any questions.
