

Notice to all Towing and Storage Vendors

Change to Winnipeg Contract Towing Radius

Date published: December 16, 2022

Effective Monday, December 19, 2022, the Winnipeg Contract Towing radius has been amended and will include the Winnipeg perimeter and inside the Winnipeg perimeter only, it will no longer cover 16 km past the perimeter.

Below is the revised map showing the amended area that is covered under contract:

Towing and storage vendors located in the 16 km ring that was previously covered under contract can tow and store MPI claim vehicles within this area. With this new information, the Master Service Agreement will be amended to reflect this change. The Towing and Storage Search tool will be updated accordingly. A follow up email will be sent once these changes are updated.

If you have any questions about this notice, please contact towingservices@mpi.mb.ca.
