

Notice to all Accredited Glass Repair Facilities

MPI's COVID-19 Update: Clean and Disinfect Allowance for Glass

Date published: April 15, 2020

On [April 1](#), MPI notified all shops of a temporary \$50.00 allowance to clean and disinfect vehicles before repairs start, and after repairs are complete. The original NTT has been updated with the procedure to follow for adding the allowance to a glass claim so you no longer need to email GAU@mpi.mb.ca.

Procedure: Glass Repair Facilities:

For **eGlass**, add the "Cleaning & Disinfect" allowance from Global Parts to add this allowance to the glass claim invoice.

Qty	Part Number	Description	List Price	Markup/ Disc	Net Price	Labour Amount	Total Amount	
1	CLEANINGANDDISINFECT	Cleaning and disinfect	\$0.00	0 %	0.00	50.00	\$50.00	

[Update](#)

For **manual glass** claims, bill as a line item directly on the glass authorization form.

If you have any questions please contact the Accredited Repair Department.
