

Notice to all Accredited Repair Shops

Forms & Job Aids

Date published: March 17, 2022

The documents listed below for Light Vehicle claim forms and job aids, have been moved on the MPI Partners site to the Estimating Standards section under [Forms & Job Aids](#).

They are categorized to align with the [Estimating Standards – Category Updates](#) notice communicated on February 15th. This change will help all repair shops in locating the correct information.

The table below lists the relocated documents:

Relocated to Forms and Job Aids under Estimating Standards	
<ul style="list-style-type: none"> • Additional Paint Materials • Additional Shop Materials • Engine Report Sheet • Estimate Amendment Form • Frame Inspection Sheet (Conventional Frames) 	<ul style="list-style-type: none"> • Frame Inspection Sheet (Unibody Frames) • Unfit Vehicle Form • Vehicle Theft and Recovery Damage Report • Record of Parts or Supplier Issues
Relocated to Forms under Glass Only Claims	
<ul style="list-style-type: none"> • Windshield Repair Waiver 	

Please email partners@mpi.mb.ca if you have any questions about this notice.
