# Glass Invoice in Mitchell Cloud Glass (MCG)

**Date published:** February 16, 2023

MPI continues to find ways to enhance processes in glass claim administration through ongoing conversations with the repair industry, Automotive Trades Association of Manitoba (ATA), and Manitoba Motor Dealers Association (MMDA).

Effective **February 17, 2023**, the *Invoice* in Mitchell Cloud Glass (MCG) will be modified to remove fields that were not being used, formatted so most claims will fit onto one page and have separate English and French forms. To select the language of your choice, you can use the buttons located on the right side above the *Invoice*.

These changes will improve the process of reviewing the invoice with customers and obtaining signatures.
