NOTICE TO ACCREDITED REPAIR SHOPS

Re: New Agreement Reached Between MPI/ATA/MMDA

Manitoba Public Insurance, the Automotive Trades Association (ATA), and the Manitoba Motor Dealers Association (MMDA) have reached a new agreement in principle for accredited repair shops in Manitoba.

Due to recent Board changes, final MPI Board agreement remains pending. When finalized, a new Light Vehicle Accreditation Agreement (LVAA) will come into effect for a two-year term starting **April 15, 2019**. Labour rates will remain the same for the term; however, MPI will introduce new and updated policies, Estimating Standards, and Glass Program Business Rules, many of which result in additional allowances for accredited repair shops.

More details will be shared in the coming weeks. Optional training will be made available prior to the effective date.

Timeline

Summary of changes available to repair shops	March 13, 2019
Optional training for repair shops	April 8-12, 2019
Termination of existing accreditation agreement	April 14, 2019
Effective date of new accreditation agreement	April 15, 2019

If you have any questions about the new agreement, please contact:

ATA – 204-815-5277 – atamb.ca

MMDA – 204-985-4200 – mmda.mb.ca

MPI – 1-855-882-4313, option 6
