

Notice to all Light Vehicle Accredited Repair Shops

# Liability Insurance Requirements

**Date published:** October 18, 2021

Reminder: 2021 LVAA Insurance Requirement

As previously communicated in the [April 28, 2021](#) notice, shops were given a six-month grace period from the date they signed the 2021 LVAA to update their insurance coverage in order to meet the 2021 LVAA insurance requirements.

As per section 4.4(a) and (b) of the [2021 Light Vehicle Accreditation Agreement](#), all Accredited Repair shops must update the following two Liability Insurance policies to five million Canadian dollars (\$5,000,000.00):

- Comprehensive General Liability Policy
- Garage or Dealers Liability Policy which includes third party liability

We encourage all shops to contact their insurance provider to confirm that their policies reflect the minimal requirement. A copy of the updated policies must be emailed to [partners@mpi.mb.ca](mailto:partners@mpi.mb.ca) prior to January 31, 2022; the end of the six-month grace period.

If you have any questions regarding this notice, please contact the [Accredited Repair](#) department.
