

Notice to all Ultramate/Mitchell Estimating Users

# Mitchell Cloud Estimating (MCE)

**Date published:** August 24, 2021

In the [December 21, 2020 Notice to Trade](#), MPI indicated the migration of estimating users from Mitchell Ultramate to Mitchell Cloud Estimating (MCE) after completion of a successful pilot program.

We have completed testing and incorporating all feedback from the pilot, and are ready to commence a two phase implementation program for light vehicle estimates.

Selected shops for phase one will be onboarded September 14<sup>th</sup>, with the remaining shops following October 5<sup>th</sup>. A few weeks prior to your implementation, MPI will send an email communication with detailed onboarding instructions.

If you have any questions about this notice, please contact [partners@mpi.mb.ca](mailto:partners@mpi.mb.ca).
