Modernizing Basic Autopac Products

Date published: March 29, 2021

As announced in [May of 2020](#), MPI received government approval to modernize coverage levels for our insurance products. The new and updated products will begin appearing April 1, 2021 for the 2021/2022 insurance year.

These changes include the following:

- Basic Autopac deductibles for passenger vehicles and motorcycles increase from \$500 to \$750.
 - Optional deductible levels for passenger vehicles are \$200 Plus, \$200 Standard, \$300 and \$500.
 - \$200 Plus waives deductibles for collision with an animal, glass repair, theft/attempted theft, and vandalism.
 - \$200 Standard waives deductibles for collision with an animal, and theft/attempted theft.
 - Optional deductible levels for motorcycles are \$200, \$300 and \$500.
- Basic Third Party Liability coverage increases from \$200,000 to \$500,000.
- Maximum Insured Value increases from \$50,000 to \$70,000.

Review the [Coverage Modernization job aid](#) for more information on deductible options and how customers will be transitioned. In addition, information on the changes to MPI products is available on the [public website](#).
