

Notice to all Light Vehicle Accredited Repair Shops

New Recycled Parts Supplier

Date published: October 8, 2020

A new recycled parts supplier, JS Truckmart, is being added to MPI's Parts Program.

MPI is pleased to announce this new supplier as part of our continued effort to expand sourcing options for shops.

Recycled inventory will be available for selection in Car-Part Pro from this supplier starting October 13, 2020.

If you have any questions about this notice, please call the [Repair Shop Support Line](#) and select Estimations, then Alternate Parts Program from the phone menu, or email Estimations-Parts@mpi.mb.ca.
