

Notice to all Accredited Repair Shops

New Technical Request Form

Date published: July 31 2020

MPI will be using a new [technical request form](#) for repair shops. The new form can be filled out in the same way as the previous form. Refer to the [technical request job aid](#) for criteria and submission requirements.

- To access the job aid, navigate to **Light Vehicles & Others > Policies & Procedures > Repair Process**, or click the links above.

Refer to the [Repair Shop Support job aid](#) for updated information on shop support options.
