Re: New I-CAR Independent Learning Courses

Manitoba Public Insurance is committed to assisting repair facilities on their road to I-CAR Gold Class designation. As a result, more courses are being made available in a simple and convenient way through I-CAR Independent Learning courses online.

The following courses are now available as part of the I-CAR Independent Learning course listing:

I-Car Professional Development Program (PDP) Courses

Course ID	Course Description
ADH01	Adhesive Bonding
CYC01	Overview of Cycle Time Improvements for the Collision Repair Process
WKR01	Hazardous Materials, Personal Safety, and Refinish Safety

Additional I-Car Courses (Non-PDP)

Course ID	Course Description
HON01	Collision Repair for Honda and Acura Vehicles
QUA01	Inspecting Repairs For Quality Control

Visit www.i-car.ca and log in with your I-CAR user ID and password to learn more and access the full Independent Learning course offerings.
