NOTICE TO ACCREDITED GLASS SHOPS

Re: NAGS Discount for Northern Manitoba

Effective Monday, July 15, 2019, the NAGS discount in northern Manitoba will be 10% for NAGS glass. The current Light Vehicle Accreditation Agreement that went into effect on April 15, 2019, stipulated that 90 days after its effective date, MPI would begin paying NAGS less 10% or OEM list price (whichever is less) on glass claims in northern Manitoba.

Please note that the new 10% NAGS discount, as well as the existing [Lowest Cost Glass](#) business rule applies to northern Manitoba shops with:

- New glass-only claims opened on or after July 15, 2019, and
- In-progress glass-only claims with glass added to the invoice on or after July 15, 2019.

The following glass standards will be updated to reflect the new discount:
