Paid Glass Only Claims Reporting

Date published: December 3, 2021

In consultation with the Glass Committee, ATA, and MMDA, the MPI Partners site has been updated with a more in-depth year-over-year monthly comparison for paid glass only claims. This new [Glass Only Claims](#) section will include reporting on chip repairs, glass replacements (including specific information on windshield replacements), and total glass only claims. The new page also includes yearly totals for chips and replacements and comparisons to the previous year.

To find this page, please visit the [MPI Partners](#) homepage and click the **For the Reported and Paid Claims History** link. Then on the Reported and Paid Claims history page, under the Glass Claims Reported chart click the [Glass Only Claims](#) link.

MPI will update the Glass Only Claims page monthly.
