

Notice to all Accredited Autobody and Glass Shops

Retroactive Payments

Date published: November 22, 2022

As [previously communicated](#), accredited physical damage and glass repair facilities will be receiving retroactive payments for eligible compensation increases as per dates of payment requested below:

Glass-only dates of payment:

- July 1 to September 14, 2022
 - Tempered glass shop material rate
 - Windshield shop material
 - NAGS Discount
 - Urethane allowance

Physical damage dates of payment:

- July 1 to September 1, 2022
 - Urethane allowance
 - Nags Discount
- July 1 to September 14, 2022
 - Paint material rate
 - Shop material rate

Eligible repair facilities and claims have been identified using invoice data. For eligible glass-only claims and physical damage claims, eligible repair facilities will receive a payment for the increases during the week of November 28, 2022. Claims will not be updated to reflect these changes.

Retroactive deposits including both GST and PST will appear separately for both glass and physical damage claims.
