Updated Temporary Extension of Loss of Use Coverage Enhancement Coming to an End

Date published: February 26, 2024

Loss of Use (LOU) provides up to 30 days of rental vehicle coverage. As [previously communicated](#), this amount was temporarily increased to 60 days in August 2022 then revised to 45 days in September 2023, due to repair delays caused by parts availability and supply chain issues.

Effective March 1, 2024, temporary extended Loss of Use Coverage will no longer be available for any vehicles rented on or after March 1, 2024. Going forward, all policy coverage limits will apply as written in the policy.
