# Updated Final Repair Account Signature Sheet

**Date published:** December 1, 2020

A new Final Repair Account (FRA) Signature Sheet is now available on the MPI Partners site. You can find the new form at **Light Vehicles & Others** (or **Commercial Vehicles**) > **Forms** > **Administrative**, or on the [Direct Repair](#) page.

The new form replaces the three previous FRA sheets (fax submission, RepairCenter submission, and Direct Repair), and is available in English or French. The new FRA Signature Sheet can be completed and submitted the same way your facility submitted the previously used version.

Please begin using the updated FRA Signature Sheet immediately.
