

Notice to all [eGlass Users]

eGlass to Cloud Glass

Date published: October 8, 2021

Manitoba Public Insurance and Mitchell International will be moving from eGlass and introducing the Mitchell Cloud Glass platform to glass accredited repair shops. The roll out of Mitchell Cloud Glass to repair shops will be done on the evening of October 26, 2021.

Mitchell has provided the following [fact sheet](#) which outlines the differences that you will see with the upgrade.

Mitchell International will be available to provide support during the transition.

If you have questions, please contact Mitchell TAC using the Repair Shop Support Line 1-855-882-4313 and select option 6 or visit www.mitchell.com/support.
