Re: Send All Oversized Vehicle Amendments to Commercial Claims Department

Effective immediately, MPI's Commercial Claims department will review all amendments for oversized vehicle claims.

Regardless of where the original estimate was written, please fax or email any amendment forms for oversized vehicles to 204-985-1659, or CommercialEstimating@mpi.mb.ca.

This new centralized email address is monitored by commercial estimators. Please email CommercialEstimating@mpi.mb.ca if you have amendment requests, issues, or other estimate-related inquiries for oversized vehicles.

Reminder: A vehicle is considered oversized by meeting any of the following:

- Any vehicle with a gross vehicle weight of 9000 kilograms or over
- A vehicle (such as an RV or motorhome) or trailer **longer** than 22 feet
- Specialty equipment (such as firetrucks, cement mixers, ambulances, etc.)
