Parts Program – New Recycled Supplier

Date published: September 8, 2022

A new recycled part supplier, Team Auto Parts, is being added to MPI's Parts Program.

MPI is pleased to welcome this new supplier as part of our continued effort to expand sourcing options for shops.

Recycled inventory from Team Auto Parts will be available for selection in Car-Part Pro starting September 12, 2022.

Please email partners@mpi.mb.ca if you have any questions about this notice.
