## **NOTICE TO ALL REGISTERED ACCOUNT HOLDERS**

### **Re: TIRE ECO FEE UPDATE**

Every new tire sold in Manitoba is subject to a tire ECO Fee or "Tire Tax". When a claim involves the replacement of a tire to an insured's vehicle, Manitoba Public Insurance is responsible to reimburse the repair firm this cost.

Effective June 30 2015 the Tire Eco Fee or "Tire tax" will decrease from \$4.00 to \$3.75 per passenger vehicle tire as outlined by the Tire Stewardship of Manitoba (TSM). This change only effects passenger car, light trucks, motorcycle, ATV and other small tires sold in Manitoba.

Thank you
