

Light Vehicle Station Information Guide Updated

Date published: July 7, 2026

Vehicle Safety has recently updated the **Light Vehicle Station Information Guide**. Please review the guidebook and note the recent changes outlined below:

- Station Requirements and Responsibilities
 - Limit one inspection station per address/location.
- Inspection Certificate Administrative Procedures
 - Removed requirement to enter customer address on certificates.
- Replacement Inspection Certificate steps have been updated.
- Ordering forms have been updated

The updated handbook is now available at [MPI Partners | Vehicle Safety](#).
