

Periodic Mandatory Vehicle Inspection Window Tint Update

Date published: December 7, 2020

Effective December 1, 2020, side window tint inspection procedures will now follow the **Vehicle Equipment, Safety and Inspection (VESI) Regulation 31/2019**.

3.22(2) A motor Vehicle must not be equipped with a window to the immediate left or right of the driver's seat that has window tinting incorporated into or applied onto it if the window tinting

a) reduces light transmission to less than 50%

or

b) increases light reflection to more than 35%

All authorized PMVI Inspection Stations will now be required to acquire a Window tint meter.

Requirements for window tint meter is as follows.

1) Must be able to test fixed glass

2) Must be self-calibrating

If you require additional information, please contact Vehicle Safety at vsi-stationinfo@mpi.mb.ca or 204-985-0920 (toll-free 1-866-323-0542).
