## NOTICE TO ALL REGISTERED ACCOUNT HOLDERS

### **RE: REVISED LOCKSMITH RATES**

Manitoba Public Insurance has met with a number of automotive lock companies and reviewed the existing lock-coding rates. Through our discussions, it has been agreed that the following new rates will take effect April 1<sup>st</sup>, 2009:

- Initial coding of a lock (domestic and foreign) \$38.75
- Each additional lock coding for a domestic vehicle \$23.85
- Each additional lock coding for a foreign vehicle \$28.80

**Note:** The above rates include shop materials such as springs, wafers, retainers, etc.

Should you have any questions regarding the above rates you may contact the Corporation's Estimating Coordinator, Mr. Kevin Lewis at 985-8971.
